Proposal for Freelance Engagement with Osimah Digital

Dear Abdelfattah Abutaha,

I am writing to express my enthusiasm and interest in the prospect of working as a freelance stcs - eshary support role with Osimah Digital. Enclosed is a proposal outlining our agreement and terms for collaboration.

1. Agreement Overview:

I, Nooraldeen, hereby confirm my acceptance to work as a freelance stcs - eshary support role at Osimah Digital. This agreement entails the provision of software development, as required by the company.

2. Scope of Work:

My role will encompass developing software projects and features using, ensuring high-quality deliverables aligned with Osimah Digital's objectives and standards.

3. Compensation Structure:

The proposed pay structure is set between \$5 to \$8 per hour, subject to negotiation based on project complexity, duration, and other pertinent factors.

4. Duration and Commitment:

This engagement implies compulsory work on Sundays and offers flexibility for optional work on the remaining days of the week.

I believe that this collaboration will be mutually beneficial, leveraging my skills and expertise to contribute significantly to Osimah Digital's success.

I look forward to a positive confirmation of our engagement and an opportunity to contribute effectively to Osimah Digital's projects. Please feel free to contact me should you need any further clarification or discussion.

Thank you for considering my proposal.

Warm regards,
